I certify that this correspondence is deposited with the U.S. Postal Service in an envelope with sufficient postage as first class mail, addressed to the Office address above on 11 OCT 2006:

Christopher John Rudy: Christopher John Rudy 11 OCT 2006.

Sir:

Thank you for the 10/06/2006 NOTICE OF ALLOWANCE AND FEE(S) DUE with its accompanying Notice of Allowability for the present application. In reply to the part of the Notice of Allowability that returned an INFORMATION DISCLOSURE STATEMENT BY APPLICANT (ADAPTED PTO/SB/08A + 08B) with a citation of a document crossed out and not initialed, please instruct the Examiner, Primary Examiner Matthew A. Thexton, to acknowledge his consideration of that document by initialing the box accompanying the citation.

Reconsideration had been requested by the Amendment filed on September 21, 2006. See, its introductory page, fifth paragraph.

A fresh INFORMATION DISCLOSURE STATEMENT BY APPLICANT (ADAPTED PTO/SB/08A + 08B) with the same Hall citation is submitted herewith (attached).

As noted by the Applicant with his request, it is perfectly proper to cite such a provisional patent application as Hall, and numerous examples of issued U.S. patents are available to show this: see, e.g., US 7059647 B1; US 7043968 B1; US 7025398 B1; and so forth. Also it clarifies and completes the public record.

The issue fee with its PTOL-85 PART B - FEE(S) TRANSMITTAL is submitted herewith (enclosed).

Prompt and favorable action is solicited.

Respectfully submitted,

Dated: Oct. 11, 2006 A.D.
